

Key outcomes from Key Leader

Key Leader recognizes a variety of learning styles and employs a highly interactive and impactful curriculum to keep students excited and engaged. Besides the personality test included on the other side of this page, attendees take part in large-group presentations, small-group discussions, group projects, team-building initiatives and debates around challenging video clips.

All discussions, exercises and projects are designed to help students better understand themselves and those around them.

WHAT ELSE WILL PARTICIPANTS GAIN FROM KEY LEADER:

- Teens become more effective communicators and better listeners.
- Students are more mindful and responsive collaborators.
- Attendees become more resilient and discerning problem-solvers.
- Teens are kinder, more compassionate citizens.
- Students are more innovative and imaginative designers.

KEY LEADER®

What’s your personality style?

Complete this short personality awareness exercise to learn more about yourself. Exercises like this help Key Leader participants better understand themselves and use this knowledge to work more effectively with others.

STEP 1

Circle the eight adjectives that best describe you.

Of these eight, put an asterisk (*) by the one that best describes you. (Hint: There are now wrong answers!)

Analytical	Agreeable	Precise
Friendly	Creative	Methodical
Artistic	Resourceful	Reliable
Calm	Intuitive	Approachable
Sensitive	Logical	Insightful
Expressive	Mathematical	Scientific
Factual	Organized	Meticulous
Visionary	Realistic	Understanding

STEP 2

Scoring your test

Put a “1” by all the words you circled on your worksheet. Put a “2” by the adjective you asterisked. To identify your personality style, total the numbers in each column. The one with the highest total is your personality style.
